This section aims to help you prepare for the exam. Look at the pictures, and think about the questions — you don't have to answer the questions. You can take notes, but your notes will NOT be marked.

1. What do you think about when you look at the pictures?
2. Are the pictures related to each other?
3. What do you think the general topic might be?

THE FUTURE OF BUSINESS

This part is not graded. It is used to help you develop ideas about the general topic of the test.
